DES MOINES OFFICE

Sanjin (Sonny) Agić is a dynamic professional with a strong background in economics and design. Born and raised in Bosnia, Sonny studied economics in Sarajevo before moving to the United States. Here, he expanded his skill set by studying graphic design.

This unique combination of analytical and creative expertise has fueled his success. He has led numerous projects at Nyemaster, where he plays a pivotal role in the firm’s operations and growth.

As co-chair of the Wellness Committee, he has been instrumental in driving the Mindful Awareness Practices (MAP) program, promoting a culture of well-being and mindfulness among his colleagues.

EDUCATION

- University of Sarajevo (economics)
